

# Education Concepts

## “The College Bound Parent” Informational Workshop

Kristy Peterson, M.Ed.  
Founder and President

# Purpose of Parental Workshop

- ▶ To equip parents with information to help students make a smooth transition from elementary to a post-secondary institution.
- ▶ Provide parents with the resources and knowledge needed to help guide their children towards college.
- ▶ To educate parents about the high school environment, process of applying to college, and obtaining financial assistance when applying to colleges.

# About Education Concepts

- ***Our Mission*** is to continuously provide resources, personal guidance, a professional educator track, a strong mentorship component that will allow them to matriculate through pre and post high school and prepare them for quality higher education.
- ***Our Goal*** it to continue collaborative efforts with the students, through our follow up plan, in their success as a college student and graduate.

# Program

- ▶ Education Concepts model is broken down into sessions that can be set up by creating seminars, training workshops, after school programs and a career mentoring programs to help students understand what is needed to meet their scholastic and career goals.
- ▶ We will educate students in obtaining information on transitioning into the initial phase of higher education by providing materials, products and services to them and their parents/guardians.
- ▶ Each session will equip the students with foundational knowledge for the next tier of their education.
- ▶ A strong mentorship component and follow-up plan is also evident throughout the program.
